

## MEXICAN SOCIAL MOVEMENTS • STUDY ABROAD PROGRAM

Mexico Solidarity Network and UAM-Xochimilco partnering for a better world

#### **Scholarship Application**

In addition to scholarships offered by your home institution, the Mexico Solidarity Network offers a scholarship program designed to supplement grants or other financial awards. We cannot provide full scholarships; they are not intended to be your only funding source. MSN is a small non-profit that, instead of relying on grants and foundation money, uses the proceeds from our study abroad program to fund community organizing in Albany Park, Chicago. This commitment to our community project is why we're unable to give full scholarships, and it's also why we favor applicants who are committed to activism and to finding a way to learn about Mexican social movements, whether or not they receive a scholarship.

Please complete the scholarship form and submit it with your application. Scholarship applications will not be considered unless they are they are totally complete and accompanied by a program application. Scholarships are awarded on the basis of need, with preference given to applicants with proven grassroots organizing experience and to first or second generation Latin@ immigrants. Scholarship recipients will be notified shortly after the enrollment deadlines for each semester: May 1 for fall, November 1 for spring, and March 31 for summer.
